You got to hold on baby
To those who hold dear
And have gone to people
You love
Cuz death cannot part us
If life already has
Hold on to those you hold dear
You got to hold on
Baby to those that you love
Cuz hell's not below us
Or heaven above
And death cannot say
What you're already lost
Hold on to those you hold dear
You got a hold on baby
To those you hold dear
You get back the love
That you send
And time makes it harder
Where words already failed
Hold on to those you hold dear
Got to hold on baby
To those who hold dear
And gone to the people
You love
Cuz death cannot part us
If life already has
Hold on to those you hold dear
