baby i'm sitting on fire  
there's an old flame still burns in my heart  
when we're together the fire burns bright  
but the old flame ignites when we part

baby you know that i love you  
but a memory still haunts at my door  
when we're together we stand so tall  
but a part of me still falls to the floor

sets me free  
i do believe  
burn up in me  
for the rest of my life

baby i'm sitting on fire  
but the flames put a hole in my heart  
when we're together the fire burns bright  
but the old flame ignites when we part

so hard to fight when you're losing  
and i got a little fear in my soul  
and in my own time i am losing fast  
i can even hold what i own

sets me free  
i do believe  
burn up in me  
for the rest of my life

Instrumental

so hard to fight when you're losing  
and i got a little fear in my soul  
in my own time i am dying  
can't even hold what i own
