Yeah-eah!

Under the neon lights
You see her lipstick shine

Body so hot
Sweat runnin' down her thighs

(Chorus)
With her hands in the air
Hair everywhere
Baby likes to rock it hard

All damn night
Big city lights
Oh, she's gonna be a star

Ooooh, yeah
She keeps me rockin'
Never gonna stop it

Oh! Yeah!
I said dance baby
All night long

She likes to dance
Swing!
Shake her little thing
Everybody knows she's air

She like it hard
Fast!
Shakes her little ass
Everybody stop and stare

Well baby likes it hot
On a Saturday night
She goes

Dancin' to the rhythm
Movin' to the rock 'n roll

(Chorus)

With her hands in the air
Hair everywhere
Baby likes to rock it hard

All damn night
Big city lights
Oh, she's gonna be a star

Ooooh, yeah
She keep it rockin'
Never gonna stop it

Oh! Yeah!
I said dance
Baby all night long

She likes to dance
Swing!
Shake her little thing
Everybody knows she's air

She like it hard
Fast!
Shakes her little ass
Everybody stop and stare

She likes to dance
Swing!
Shake her little thing
Everybody knows she's air

She likes it hard
Fast!
Shakes her little ass
Everybody stop and stare

She should shake it

(Phone Ringing)

Oh, oh, ooh!
Oh yeah!

(Guitar Solo)

Oh, oh yeah!

She likes to dance
Swing!

Shake her little thing
Everybody knows she's air

She like it hard
Fast!
Shakes her little ass
Everybody stop and stare

I say dance
Swing!
Shakes her little thing
Everybody knows she's air

She likes it hard
Fast!
Shakes her little ass
Everybody stop and stare

Yeah!

Dance
Swing!

Whoa-oah!

Dance
Swing!

Ooooh!
Yeah-e-yeah-yeah
Whew!
Uh!
