He can turn the tide  
And calm the angry sea  
He alone decides  
Who writes a symphony  
He lights every star  
That makes our darkness bright  
He keeps watch all through  
Each long and lonely night

He still finds a way  
To hear a child's first prayer  
Saint or sinner calls  
And always finds him there  
Though it makes him sad  
To see the way we live  
He'll always say - I forgive

He still finds a way  
To hear a child's first prayer  
Saint or sinner calls  
And always finds him there  
Though it makes him sad  
To see the way we live  
He'll always say - I forgive

He can grant a wish  
Or make a dream come true  
He can paint the clouds  
And turn the grey to blue  
He alone knows where  
To find the rainbows end  
He alone can see  
What lies beyond the bend

He can touch a tree  
And turn the leaves to gold  
He knows every lie  
That you and I have told  
Though it makes him sad  
To see the way we live  
He'll always say - I forgive
