Hold me, darling  
Come and listen to me (Hey! Girl!)  
Trust me, baby  
Wanna be your boy (Again! Please!)  
Oh yes! I know just how you feel  
So mad

Oh please! Smile at me!  
I am sorry that I did too much lying  
Oh girl, I regret  
I was a jerk, and I was a fool!

(Come on! Girl! Smile! Easy, girl!)  
(Come on! Girl! Smile! Easy, girl!)

\*Come on, baby  
Dont be upset with me (Hey! Girl!)  
Kiss me, hug me  
Just give me a chance (Again! Please!)  
Oh no, I am such a big mess  
Without you

\*\*Oh! Please, hear me out  
May be a fool, but I love you so much  
Oh girl, dont leave me  
You are my princess, you are my love

Listen, baby  
How about we go hang out tonight? (Hey! Girl!)  
Trust me, baby  
Wanna be your boy (Again! Please!)  
My girl! I even got the red Fiat  
Just for you

Oh please! Let me take you out  
I know you'd look gorgeous in your new pink dress  
Oh girl, you'll take my breath away  
I need that smile now back on your face!

(Come on! Girl! Smile! Let me take you out)  
(Come on! Girl! Smile! I wanna make it up)
