I'd really like to see you there
I can't pretend like I don't care
'Cause I really do, yeah

Please, just kill the drama
Go to sleep, we'll talk tomorrow
Dream about me and don't worry
(About me)
We'll be fine

Can you hear me? Can you see me?
What I don't know cannot hurt me
Can you hear me? Can you see me?
What I don't know cannot hurt me

I'm turning around, I'm turning around
I'm turning it out, I'm taking it out, out
I'm turning around, I'm falling apart
I'm hitting the ground

I'm turning around, I'm turning it out
I'm taking it out, out
I'm turning around, I'm falling apart
I'm hitting you down

You said that we were leaving
I asked, "Where we were going?"
Do you really?
(Really)

I just really do want everything to work out
Like the motion picture endings
What I really
(Really)
What I really meant to say
To say

Can you hear me? Can you see me?
What I don't know cannot hurt me
Can you hear me? Can you see me?
What I don't know cannot hurt me

I'm turning around, I'm turning around
I'm turning it out, I'm taking it out, out
I'm turning around, I'm falling apart
I'm hitting the ground

I'm turning around, I'm turning it out
I'm taking it out, out
I'm turning around, I'm falling apart
I'm hitting the ground

What I don't know cannot hurt me
What I don't know cannot hurt me

Can you see me?
What I don't know cannot hurt me
Can you see me?
(Please, just kill the drama)
(Go to sleep, we'll talk tomorrow)
What I don't know cannot hurt me
(Dream about me and don't worry)

We'll be fine
