Listen to me beauty queen
I've been dancing darling, please
Hold on loosely, use me, tease
Hold on loosely don't lose me, please

You're smoking that last cigarette
Hoping you'll be better for it
You meant it for the first time
Just like you said the last time

I am trying darling, please, please
Let's go someplace we don't know
Catch our problems, let them go
Take me gorgeous, break me slow
Set me straight and leave alone tonight

You're smoking that last cigarette
Hoping you'll be better for it
You meant it for the first time
Just like you said the last time

Like you said
Just like you said
Just like you said
Just like you said

Listen to me beauty queen
I've been dancing darling, please, please
