[Hook]

She wore her hip huggers for me so I could see her
thong

Just made 21 she got it goin on

Slow it down ma

You a freak huh

Slow it down ma

You a freak huh

She gave me the phone number

Told me to come over

So we could put a stain on her mama's sofa

Slow it down ma

You a freak huh

Slow it down ma

You a freak huh

[Magic]

I done found my Nefertiti

Beautiful skin tone

Straight out the bottle

Like I dream of Jeanie

She wanted me to come and knock her pants off

And bring something slow that me and her could dance
off

She can tell by this bulge in my jeans that I like her

Knowing that I'm a thug and I'm only tryin to yike her,
pipe her

Lay it down deep

I hope you got a man cuz it's betta when you creep
yeah

She a freak I can tell by the way that she grinding on a
nigga

That she ready for the meat

She done heard that I got a little something

I'm nice with my flow but in bed I'm a beast

She wants me to take my time with her

But I'm a dog so you know I gotta beat the pussy down
for her

I got a whole click of cave men that'll cut your
friends up until the pussy just cave in

[Swells]

You know what it is
Once S dub gets you to the crib
Lay you down try to pound out your ribs
You're so loud
All the sounds woke the kids
Try to cover her mouth
But she couldn't hold it in
I'm no joke when it comes to the stroke
But before we get to that
Put this here in your throat
You can swallow or spit
I won't be bothered a bit
Just do it quick an keep bobbin your head
S Dub the nastiest
Turn a good girl into one of the trashiest
I'm a fly nigga one of the flashiest
Fly chicks I slide with I'm always smashin em
No Lifestyles give me a Magnum
White chicks call me OJ the way I be stabin em
I never call them back that's why their mad at him
I drive hoe's crazy gotta put 'em in padded rooms

[Hook]

[RJJ]

Wow I gotta appetite
From listening to my own song
I want a cutie with a bootie and some hips with a thong
on
Something I can put the long on
Make my lips disappear off in hear ear so we can go on
home
Well if she wanna hit the bar first
If she right we can probably make it happen in the car
first
Know how I feel about them short skirts
Easy access so I'm a take it easy like I'm off work
Let her show the champ a good time
I really want a beauty queen that's a freak with a good
mind
No hoe's bard I want the whole nine
I can stick her anywhere cuz this motherfucker's so fine
But I'm a beat her with the meat first
I got a hell of a reputation as a champ but I'm a freak
first
-oh you a freak huh- you damn right
I'm a trying to leave another stain on your mama's
couch every night
