Hey

Chorus

Th-th-th-this is not just cool talk

T-t-t-take a gangster snake for a funky walk slice shit

Verse 1

Hey!

All the Blackbirds I know you know I know

Don't care 'bout David they go I go they go

I say!

Gangster bitch can take the knife to you from you to  
you

And find Anger-a-go-a-go-a-go

To dance the two-step at the park you know I know you  
know

Chorus

Th-th-th-this is not just cool talk

T-t-t-take a gangster snake for a funky walk slice shit

Verse 2

I say!

Don't think much of David 'round there and here and  
there

And the Blackbirds explode but do not care they care I  
care

And still Gangster bitch will still hold the knife -- you  
know the rest so

Feel the Anger and find your happiness

And you get a bitch name david who scared of shit

Chorus

(Hey! )

Th-th-th-this is not just cool talk

T-t-t-take a gangster snake for a funky walk slice shit

Verse 3

And you all know that we are the blackbirds

And could have been black ice nice

So I come to say lets kill the scared little

Bitch so we don't have to here the name david again

boom  
And I say again  
Don't think much of David 'round there and here and  
there  
And the Blackbirds explode but do not care they care I  
care  
And still Gangster bitch will still hold the knife -- you  
know the rest so  
Feel the Anger and find your happiness  
And you get a bitch name david who scared of shit

Chorus  
(Hey! )  
Th-th-th-this is not just cool talk  
T-t-t-take a gangster snake for a funky walk slice shit  
So here I nd this song so peace
