Angels and Ministers of Grace  
Come defend who's been praying  
I've found you wanting by your weight

Who did you think you'd be saving?  
Then suddenly, you're acting  
Out of the need to be taking someone down

Hands on the altar for a charming spell  
(Be sincere with persuasion)  
Go ask your Goddess if you've served her well  
(She'll be climbing higher now)

More sinned against than sinning, please  
You're not above my suspicions  
You're lamb and serpent just like me

It's more than just superstition  
Then suddenly, I'm finding out  
That it's me you'll be taking down with you

Hands on the altar for a charming spell  
(Be sincere with persuasion)  
Go ask your Goddess if you've served her well  
(She'll be climbing higher now)

Tie a knife with a ribbon with a red, red, ribbon  
Raise a hand-held mirror to the light of the moon  
With a secret garden and a heart unhardened  
Strike a specter's bargain with a ritual brew

Book and candle is natural to those pure and simple  
Tie a knife with a ribbon with a red, red, ribbon  
Tie a knife with a ribbon with a red, red, ribbon

Don't try your magic spells on me  
I know you've been crystal gazing  
You say your boots are seven league  
Where'er you go, I'll be waiting

Hands on the altar for a charming spell  
(Be sincere with persuasion)

Go ask your Goddess if you've served her well  
(She'll be climbing higher now)
