(intro-Monica and Missy)

Yeah, Imma Set it off

C'mon now

{Missy}

Yeah

Ohh

This that hot shit ya'll set it off

New Monica shit

C'mon

(Monica)

You remember when I was just a young one

And I was to afraid to quickly let you show me thangs

(Missy)

Hol up, Hol Up

Big show DJ's

This joint so crazy put the needle back on the record

let's do a double take

(DirtBag)

Now listen baby I'm a dirt bag

I don't know the different faces, I cant take it

But I got a jeep, so you lead and I'll follow

Lunch up in a diner, if ya act right we dine in the

Bahamas

Now wow lil momma, I'm a gangsta

Anywhere ya wanna go imma take ya

Oh my god you caught my eyes like from 20 yards

You so damn fine

Listen I don't eat peaches but the way you look to night

I just might take a bite

Come closer, feel that

It's a woman and a man and a latex

Out the shower, hotel flowers on the bed

Choice of wine white or red

What more can I say

Monica, DirtBag, ATL MIA

(Monica)

You remember when I was just a young one

And I was to afraid to quickly let you show me thangs
Not sure if I was ready for some good love, and I'm
bout to set it off
Can you please be gental cuz I am the fragile kind
And even tho I'm ready for the move of my time
Now buckle up yo seat while I set it off

(Chrous-Monica)(Missy)

Baby let me set it off, do you mind it I get it off
Set it off, Set it off
All it takes is one phone call, if you wanna get it on
Set it off, Set it off

(Monica)

I know your anxious but please lets make a
compromise
Im so energized All in my neck my back my thighs
Make sure the lock is safe before I set it off

(Chorus)

(Monica)(Missy Backup)

Now imma Set it , you can tell them Mo Said it
And you betta not forget it, now don't sweat it
And we can really go at it, if you let it let's protect it
Now I bet it be good is you ready
But the jump of heavy, my style varies
The club down I shut it, how I do it
I set it

(Chorus)

(outro-Missy)

Breakdown

Here we go

(Monica)

I will set it off

I will set it off

I'll Set it off

I will set it off

I'll set it

I'll set it
