I'm going down
Way, way underground
Aint never gonna come back up
No, no matter what
The people on top
Theyre all mundane
I aint never gonna play their game no, no more

I'm goin' down

Dont gimme no lame TV
Gimme rock, blues, and jazz history
Dont join no government
What kills the environment
Don't join no religion too
That aint what we supposed to do
It ain't out there
It's all inside
Take a look if you dare

Im goin down

Tune on, tune in, drop out
Its ok
All you need is love
And youll find the way
Slip in easy, slip inside
Let the Dharma be the guide

Im goin down

Takin along the family
They hold a light
Hold a key
Dont do nothin dont want happenin to me
Rock on, steadily

Im goin down

I must thank the powers that be
For not lettin me in

They let me see
They think they made me their enemy
But in truth they let me free

Im goin down
Way, way underground
Aint never gonna come back up
No, no matter what
I'm goin' down
