Come on over here
Lay down next to me
Let me tell you something
That I've been meaning to say
For a long time whoa

Baby its been some time
Since we first met
And every day with you
Is like no other whoa

[1] - All this love you're giving me
I know just what to do
I'll take the love you're giving me
And give my love to you

You give your love so freely
And you give it so abundantly
I just want to be able
To give it back to you

Come on baby
Let me tell you
Tell you all the things I feel
Cause if it wasn't boy you know
I don't think I would know what's real

[repeat 1]

You got me singing la la la
La la la laa
La la la laa la la la
Whoa la la la la la la
La la la la la
La la la laa
La la la laa la la la
La la la la la la
You got me singing
La la la laa
La la la laa la la la
La la la la la la

La la la laaa
La la la laaa la la la
La la la la la la

[repeat 1]

[2] - All this love you're giving me
I want to give just let me give it back to you

[Repeat 2 til end of song]
