I never knew there was a love like this before
Never had someone.. to show me, a love,
Love like this before

Now that, we have, come to be
A brand new light, I can't see
Never thought you'd be a special, part of me, no baby
The reasons, are, because of you
I can go on, and make it through
I can't even take my mind off loving you
And I wanna say

I never knew there was a love like this before
Never had someone.. to show me, a love,
Love like this before

I know you, can't see,
all the things you mean to me
I'm so amazed, that you, are mine,
yeah yeah, yeah yeah
If we can work together,
maybe this can last forever
This is something,
that I want to hold on to...ooh ooh ooh ooh
So baby try to understand

Baby try to understand
I'll be crazy if you leave (crayzay)
cause you compliment my style(ooh, ooh ooh oooh
ooh)
And I like the way you walk
(the way you walk,the way you talk)
And the sexy things you talk
You don't know just what you do to me,
you see(oh ooh oh ooh oh)

(never, never, no no)
I never knew, there was a love like this before
(a love like this before, no)
Never had someone to show me a love,
(oh, I never had a, love like this before)

Love like this before

(oh, ooh oh ooh oh oh)

I never knew there was a love like this before

(never knew, never knew)

Never had someone to show me a love,

Love like this before(baby, try to understand)

Baby try to understand(yeah)

I'll be crazy if you leave(yeah.. yeah)

cause you compliment, my style(oh, yeah)

(you compliment, my style)

And I like the way you walk

And the sexy things you talk(oh yeah)

You know just what you do to me, you see

(oh ooh oh ooh oh, never, never)

Never knew a

Never knew a

Never knew a

Love like this before

Never knew a

Never knew a

Never knew a

Love like this before

I never knew there was a love like this before

Never had someone.. to show me, a love,

Love like this before

I never knew there was a love like this before

Never had someone.. to show me, a love,

Love like this before

I never knew there was a love like this before

Never had someone.. to show me, a love,

Love like this before
