(feat. P.Diddy & Loon)

What

I know it's not the ghetto  
I know it's not the ghetto  
I know it's not the ghetto  
I said I know it's not the ghetto

[Rap]

You betta check yourself, respect yourself  
You betta go for self  
Because I flow for self (You gets no love from me)

[Verse 1]

I tell you why there's no love  
Simply you're not cool enough  
For what we had between us  
Don't you know you lost my trust

[Bridge]

People ask me where you been  
And I tell them were just friends  
Cause it's so obvious the that it's  
never gonna work for us  
Oh no

[Chorus]

Played with my emotions, you gets no devotion (You  
gets no love)  
You can't even be my friend, and you gets no love  
again (You gets no love)  
Whatever you do, it will come back to you (You gets no  
love from me)

[Verse 2]

Tell you why we can't hook up  
Cause I had about enough  
Hearing all the lies you tell  
Boy I thought I knew you well

[Bridge # 2]

People think that you're my man  
They don't even understand  
Just because i let you get some that don't make you the  
one  
We ain't even in love  
You know that you played

[Chorus]

Play with my emotions, you gets no devotion (You gets  
no love)  
You can't get no love from me  
You can't even be my friend, and you gets no love  
again (You gets no love)

[Rap # 2]

You better  
Rock my shit  
Don't knock my shit  
Because I got the shit  
To make you cop my shit (you gets no love)

You better  
Rock my shit  
Don't knock my shit  
Because I got the shit  
To make you cop my shit (you gets no love)

I'm the  
Diva with clout  
Everybody rap about  
Check it out  
Rhymes I buss 'em,  
Problems with my life  
Don't discuss 'em

[Bridge 3]

Boy we had a cool relationship  
But you couldn't handle it

Played with my emotions, you gets no devotion (You  
gets no love)  
You can't even be my friend, and you gets no love  
again (You gets no love)

Whatever you do, it will come back to you (You gets no love from me)

Played with my emotions, you gets no devotion (You gets no love)

You can't even be my friend, and you gets no love again (You gets no love)

Whatever you do, it will come back to you (You gets no love from me)
