*[Nate Dogg]*

Lil' girl from the ghetto  
Ran away from home  
She ran away from home (Nananana)  
Tried to be a fucking woman  
Acting way too grown (Tooo grown, whoa whoa)  
Then she ran across the border  
Homie, 24-inch chromes (24-inch chromes nananana)  
Now she walking down the track, stripping  
With them brand new high heels on (Hahaha good  
God)

*[Warren G]*

She too young for me so I passed her to the next dude  
Got hood fame, what a shame what X' do  
Hang with a crew that love getting revenue  
With a description of 1972  
Now who's the mack in the 'Lac leaning to the side  
24s gleaming, sitting up high?  
Ride and won't die but you young bitch  
Spit words so fly, get you sprung, bitch  
Young Slick, his name, chasing Don Juan fame  
Trying to replace him with modern day game (We don't  
hate)  
Then shoot if you mess with his prostitute  
And what I hear, he got a lot to shoot  
Now what if dude get your crew Slick got one too?  
Don't let the pimpin' fool you, he got hot ones too  
Blew his brains out, now he catching chain out to  
Chino's  
Slick got caught up fucking with a young dogg

*[Snoop Dogg]*

My nigga Slick was a gangbang motherfucking lunatic  
Nigga out to get a grip, sworn in to do this shit  
Nigga only do this shit and make this shit official  
A little bitty nigga quick to hit you with the pistol  
Ain't no motherfuckers squabbin' me, and that's on 20s  
Plenty niggaz felt the wrath of his deuce-deuce gun  
blast  
Ask Cuz on the corner with the bullet holes his chest  
blast  
Dumb-dumb don't want come test

Cuz he'll lay you to rest, tattooed with a set on his neck  
Demanding respect, Crip or die, is how he ride  
Long Beach, East Side roll in two times  
Every nigga on the yard know Cuz' rep  
A straight gangsta for life, and I love that  
It's not just a job, fool it's a lifestyle  
And when you're slipping, woo-wam-lights-out

*[Nate Dogg]*

Lil' boy from the ghetto  
You're greased up khaki's on (Nananana)  
Used to be a ball player, homie  
What the fuck went wrong? (Whoa whoa)  
Used to see him on the corner daily  
Hand up on his throne (Ahh yeah nananana)  
Tried to knock him off a bank recently  
25 to life, so long, he gone
