There's a lot of things I understand,
and there's a lot of things,
That I don't want to know.

But you're the only face,
I recognize, It's so damn sweet of you,
to look me in the eyes.

It's all right, I'm O.K.,
I think God can explain,
I believe IÂ'm the same,
I get carried away
It's alright, I'm O.K.,
I think God can explain
I'm relieved, I'm relaxed,
I'll get over it yet.

The scent of vaseline,
in the summertime,
the feel of an ice cube,
melting over time,
Well the world seems bigger than both of us,
yet it seems so small,
when I begin to cry.

It's all right, I'm O.K.,

I think God can explain,
I believe IÂ'm the same,
I get carried away
It's alright, I'm O.K.,
I think God can explain
I'm relieved, I'm relaxed,
I'll get over it yet,

I'm so much better than you guessed,
I'm so much bigger than you guessed,
I'm so much brighter than you guessed.

It's all right, I'm O.K.,
I think God can explain,
I believe IÂ'm the same,

I get carried away
It's alright, I'm O.K.,
I think God can explain
I'm relieved, I'm relaxed,
I'll get off of your back,

I think God can explain.
I think God can explain.
I think God can explain.
Yeah...
