Yeah...

I feel your lips, so hot.
A kiss will be enough.
Now that I can feel the sun is burning, baby.

Come...

And play with my desire.
My body is on fire.

The summer's all around.
The summer's all around.
The summer's all around.
Baby, let this moment be.
The summer's all around.

Yeah...

I feel your lips, so hot.
A kiss will be enough.
Now that I can feel the sun is burning, baby.

Come...

And play with my desire.
My body is on fire.

The summer's all around.
The summer's all around.
The summer's all around.
Baby, let this moment be.
The summer's all around.

Summer's all around...

Ain't no dreaming.
Ain't no dreaming, you are mine.
Feel the rhythm.
Feel the rhythm, dance all night .

Don't you waste it.
Don't you waste this moment, now.
This is summer.
Summer's all around.
