Ladies, this song's about our glory.
That's not the guys' story.
Ladies, they want us to believe them.
Only satisfaction.
They want us to give them.

Let them, they wanna do the starrin'.
But we are not your puppets.
Let them, they wanna cheat and hiding.
We not gonna do this.
We won't do the fightin.

Hey! You better be watching.
Oh! The ladies now rocking.
Hey! You better be moving.
Tell me what's ya think it is that you doing.

Hey! You better be watching.
Oh! The ladies now rocking.
Hey! You better be moving.
Show ya face, I know what's ya doing.

Maybe, they'll treat you like a lady.
They make you go crazy.
Maybe, but lies is what they giving.
Do your best and stop to forgive them.

Ladies, it's time for us to show them
We's ready, cuz we know them.
Ladies, be ready to ignore them.
If you cannot hear me.
That won't be my problem.

Hey! You better be watching.
Oh! The ladies now rocking.
Hey! You better be moving.

Tell me what's ya think it is that you doing.

Hey! You better be watching.

Oh! The ladies now rocking.

Hey! You better be moving.

Show ya face, I know what's ya doing.
