Now everybody's cryin' about the Seventh son  
In the whole round world there is only one  
I'm the one  
Well I'm the one  
I'm the one, I'm the one  
The one they call the Seventh son

Now I can tell your future, what's goin' to come to pass  
I can do things for you that makes your heart feel glad  
I can look in the sky and then predict the rain  
I can tell when the woman's got another man  
I'm the one  
I'm the one  
I'm the one, I'm the one  
The one they call the Seventh son

I can hold you close and squeeze you tight  
I can make you cry for me both day and night  
I can heal the sick and raise the dead  
And I can make your little girl talk all out of your head  
I'm the one  
Well I'm the one  
I'm the one, I'm the one  
The one they call the Seventh son

Now I can talk these words that sound so sweet  
And make your lovin' heart even skip a beat  
I can take you baby and hold you in my arms  
And make the flesh quiver on your lovely palms  
I'm the one  
I'm the one  
I'm the one, I'm the one  
The one they call the Seventh son
