Our love is bona fide  
You know we're qualified  
When ever it comes to us  
Our love is bona fide

Baby do't be ashamed cause we don't have everythang  
For a while lets get tough, so tough.  
Sometimes it takes more than you to fulfill a good day  
So let me say that our love is bona fide.

Our love is bona fide  
You know we're qualified  
When ever it comes to us  
Our love is bona fide

I love you more today than I did yesterday  
And that's more than a lot of couples can say.  
And when my friends try to play to keep us apart  
Its not possible cause we can never be torn apart.

Feeling that will never change  
I want our relationship to be like the one in the old days.  
Some folks say it could not be done  
But I hold my hand up and just walk on by.

Our love is bona fide  
You know we're qualified  
When ever it comes to us  
Our love is bona fide

Our love is bona fide  
You know we're qualified  
When ever it comes to us  
Our love is bona fide

Everyday I want to show you just how much I love you  
Cause my heart is whatcha holdin' that is what we both  
controlin'  
Baby baby please feel like this when we be  
Soul to soul that's where its gotta be, juss for you and  
me

Feeling that will never change  
I want our relationship to be like the one in the old days.  
Some folks say it could not be done  
But I hold my hand up and just walk on by.

Feeling that will never change  
I want our relationship to be like the one in the old days.  
Some folks say it could not be done  
But I hold my hand up and just walk on by.

Our love is bona fide  
You know we're qualified  
When ever it comes to us  
Our love is bona fide
