Yeah

Yeah

Yeah, yeah

Duddys always talkin bout

He cant get it up

Duddys always talkin bout

He cant get no love

Everyone now and then he gives me some

But its not good enough

Duddy, Ive gotta get my freak on (Yeah, yeah, yeah,  
yeah)

I gotta get my freak on

I wish you would give me lovin

The way that you give me money

But I dont give a damn

I still gave it to you, oh

I wish that you could freak me

The way that I need to be freaked

But now I gotta creep just to get pleased

What would you think about me

Duddys always talkin bout

He cant get it up (Oh...oh...)

Duddys always talkin bout

He cant get no love (Cant get no love, yeah)

Everyone now and then he gives me some

But its not good enough (Its not good enough)

Duddy, Ive gotta get my freak on (Oh)

I gotto get my freak on

He takes good care of me

And gives me everything I need

But when I get hot [Hot] I wanna hit the spot [Spot]

Its not him who I call on

Im bitin the hand that feeds me

Cause I need a man to please me

But thats how the story goes

Gotta keep it on the down low, yeah

Duddys always talkin bout

He cant get it up (Nobody has to know)

Duddys always talkin bout (No, no)

He cant get no love

Everyone now and then he gives me some

But its not good enough (Gotta creep on the DL)

Duddy, Ive gotta get my freak on (Not you , yeah)

I gotta get my freak on

Now when I step into the bedroom

Im expectin somethin new

And if you dont impress me

Im walkin out on you

Now you can call girl Donna

And your girlfriend Erika too

Ill just leave you alone

And call my boy Tyrone (Call my boy Tyrone, yeah)

Duddys always talkin bout

He cant get it up (Bring it on, bring it on, bring it  
on)

Duddys always talkin bout

He cant get no love (Cant get no love)

Everyone now and then he gives me some

But its not good enough (Hey, hey, yeah, yeah, yeah,  
yeah)

Duddy, Ive gotta get my freak on

I gotta get my freak on

(Now if you want my love)

Duddys always talkin bout (You gotta treat me  
right)

He cant get it up (Aint no, "I dont feel like it,  
maybe later tonight")

Duddys always talkin bout

He cant get no love (You gotta me feel)

Everyone now and then he gives me some (Hey, real

inside)

But its not good enough (Cause if you dont then Im  
gon have to say)  
Duddy, Ive gotta get my freak on (Bye-bye-bye-bye,
