.....

There's no Angel fly in the Sky...  
they 've all disappeared, without say Goodbye.  
tell me , who's the one to blame, TO BLAME .

.....

( Refrain )

.....

There's no Angel fly in the Sky...  
They 've all disappeared, without say Goodbye.  
Tell me , who's the one to blame, and why.

.....

They Wouldn't leave me to find you  
and i am looking always to be with you  
i know that they harming you  
but life is empty without you  
spread your wings and take me with you  
forever to fly with you  
from the darkness of the people  
just to be with you

.....

( Refrain )

- Solo Translation -

I will leave to another world  
whatever you will say i'll remain in my place  
I will live with my dream and aspirations of love  
away from your words that was the cause my sadness

je t aime  
.....

Just trust your love with out why  
to find happiness for sure we try  
so leave us to be high  
and fly with love to the sky  
let the freedom to lead our way  
we have to fly away  
so leave us to be high  
and to fly with love to the sky
