When my baby's walking down the street
I see red, I see red, I see red.
How could someone wicked walk around free
I see red, I see red, I see red.
I see re-ed, I see red (red!), I see re-ed.

I respect your wishes
You gave me such precious hours
What to do without you.
Squeezed me out of your life
Down the drain like molten toothpaste
I feel used and spat out.
Poor old me

When my baby's walking down the street
I see red, I see red, I see red.
How could someone wicked walk around free
I see red, I see red, I see red.
I see re-ed, I see red (red!), I see re-ed.

I'm fed up with crying
My despair is dying,
Turning into rage, day by day
Green before you met me
In the pink when you let me love you
I was blue when you let me down
Black and Blue

When my baby's walking down the street
I see red, I see red, I see red.
How could someone wicked walk around free
I see red, I see red, I see red.
I see re-ed, I see red (red!), I see re-ed.
