You came out of the world to me  
My life parted like the red sea  
We flowed easy between the rocks and stones  
never seemed to stop us  
The years ended in confusion  
Don't ask me I don't know what happened  
but I am a man with a mission  
Must be the devil I don't know  
Finally, marching to a different tune

It's hard to let go  
Of all that we know  
As I walk away from you  
The sun always sets  
No room for regret  
As I walk away from you

Reveal whatever you desire  
To you it may be death defying  
Your life, slave to ambition  
Tension your permanent condition  
So much you've always wanted  
Too much giving you a sore head

Finally marching to a different tune (That's right)  
As I walk away from you  
As I walk away from you

It's hard to let go  
Of all that we know,  
As I walk away from you  
The sun always sets  
No room for regret  
As I walk away from you  
--

It's hard to let go  
Of all that we know  
As I walk away from you  
The sun always sets  
No room for regrets  
As I walk away from you

Give it to me, give it to me, your inspiration  
Give to recieve, find all we need  
As I walk away from you.
