Roll up, roll up to the jamboree  
Roll up, roll up to the jamboree

Roll up, roll up, troupers jamboree  
Old friends attend, long time no see  
Roll up, roll up, troupers come on down  
Big top, non stop, annual reunion

I know what you're thinking, I know what you'll say  
But I gotta getta be, at the troupers jamboree  
There's safety in numbers, I'll never forget  
40 years ago, on with the show

Distant voices calling, calling me  
Entertaining me  
Memories of the heydays  
With the better company

I know what you're thinking, I know what you'll say  
But I gotta getta be, at the troupers jamboree  
There's safety in numbers, I'll never forget  
40 years ago, on with the show

Roll up, roll up, troupers jamboree  
Old friends attend, long time no see  
Roll up, roll up, troupers come on down  
Big top, non stop, annual reunion

Keeping a lonely vigil while the girls all have a ball  
The stories come out thick and fast, long, short and tall  
There's Frank du Preze on the flying trapeze  
Finally come down to earth  
Good ol' Chris the contortionist, is bent if not worse  
Dear ol' Merle the strip-tease girl, do anything for kicks  
And the ol' magician has disappeared, still up to his old  
tricks  
Well the gag man's been gagged  
And the straight man's gone straight  
The mime artiste too clever for words  
And the MC's still late

Oh Jamboree, oh Jamboree!

Oh Jamboree, oh Jamboree!  
Oh Jamboree, oh Jamboree!  
Oh Jamboree, oh Jamboree!
