Please allow me to introduce myself,  
I'm a man who loves her to my death as well.  
I'll run until my legs give way, Yeah.  
I will follow her until my final breath.  
In this night (I whisper to you)  
Can you hear me (Am I getting through?)

I will fight, I will bleed until she's part of me.  
(Get your, Get Your heads down, Get your heads down)  
I will pray, I will scream till she's with me  
(Get your, Get Your heads down, Get your heads down)

I will find you and bring you here, Oooahhh  
What binds you and keeps you near.

I will fight, I will bleed until she's part of me.  
(Get your, Get Your heads down, Get your heads down)  
I will pray, I will scream till she's with me  
(Get your, Get Your heads down, Get your heads down)

Allesio, Where have you gone?  
I look for you, But find no one.  
My hopes and fears, They all have come.  
Allesio, What do you know?

[x4]  
I will fight, I will bleed until she's part of me.  
(Get your, Get Your heads down, Get your heads down)  
I will pray, I will scream till she's with me  
(Get your, Get Your heads down, Get your heads down)
