=====

Sitting on the verandah, with my old girl Miranda  
5 o'clock shadows soft in the gloom  
In love after a fashion, we're broke, spent all our  
passion  
9 o'clock and we're off to our room

'Coming like a habit, 'coming like a ritual  
The same old tete-'-tete in your dreamy feather-bed  
You give lessons in parrot fashion love  
The same old tete-'-tete in your dreamy feather-bed  
You give lessons in parrot fashion love

Drunk and disabled we're both under the table  
With the crumbs, in the doldrums we play  
Good loving and laughter, we both know what we're  
after  
And there don't seem a lot left to say

'Coming like a habit, 'coming like a ritual  
The same old tete-'-tete in your dreamy feather-bed  
You give lessons in parrot fashion love  
The same old tete-'-tete in your dreamy feather-bed  
You give lessons in parrot fashion love

Polly want a cracker, polly want a cracker

The same old tete-'-tete in your dreamy feather-bed  
You give lessons in parrot fashion love  
The same old tete-'-tete in your dreamy feather-bed  
You give lessons in parrot fashion love..love love..love.

The same old monotone  
You're gonna wind up on your own  
You learned your lesson, no more parrot fashion love  
parrot fashion love
