Love's got teeth and she bites so hard
Leaving you for dead like a deadly shark
And she doesn't leave a lot to be saved

I was swimming in the harbor of your smile
Splashing in the ocean like a child
I didn't know what dangers lurked there just beyond
the waves
Shark attack

Well she chewed me up and she spat me out
I didn't want to meet a man eater
Shark attack
Please don't mess around with me
I'm a shark fatality, in the sea, I'm the one with the
bleeding heart

I thought you were a real lifesaver
And life for once would do me a favor
But baby's just a butcher and her teeth are razor sharp
Shark attack

Yeah she chewed me up and she spat me out
I didn't want to meet a man eater
Shark attack
And I'm lost at sea and I'm an amputee
And there was slaughter in the water when I fought her
Shark attack, hey, hey, hey, hey

Shark attack
Well she doubled me up and she dribbled me out
Didn't want to meet a man eater
Shark attack
Now I'm lost at sea and I'm an amputee
And there was slaughter in the water when I fought her

Shark attack, shark attack, shark attack
Shark attack, shark attack, shark attack
