When I was a young boy, I wanted to sail around the world

That's the life for me, living on the sea  
Spirit of a sailor, circumnavigates the globe  
The lust of a pioneer, will acknowledge no frontier

I remember you by, thunderclap in the sky  
Lightning flash, tempers flare, 'round the horn if you dare  
I just spent six months in a leaky boat  
Lucky just to keep afloat

Aotearoa, rugged individual  
Glisten like a pearl, at the bottom of the world  
The tyranny of distance, didn't stop the cavalier  
So why should it stop me? I'll conquer and stay free

Ah c'mon all you lads, let's forget and forgive  
There's a world to explore, tales to tell back on shore  
I just spent six months in a leaky boat  
Six months in a leaky boat

Ship-wrecked love can be cruel, don't be fooled by her kind  
There's a wind in my sails will protect and prevail  
I just spent six months in a leaky boat  
Nothing to it leaky boat
