Chances are, it's not that far to go  
Chances are, there's not that much to know  
When you're spellbound, ohh...  
When you're spellbound, ohh once again

And chances are things are going to change  
And chances are things will stay the same  
Oh when you're spellbound, oh once again  
When you're spellbound

I know it's hard to believe but it's true  
I could never have done it without you

The way things are, we'll get there in the end  
The way things are, we won't have to pretend  
That we're all spellbound  
That we're all spellbound, once again

I know it's hard to believe but it's true  
I could never have done it without you  
Alright, alright
