Where does it start?
where will it finish?
nothing is sacred it seems
Personal faults, personal problems
adding insult to injury

Love is a battle, the roughest toughest game in the
world
anything goes, the roughest toughest game in the
world
All out war, retire hurt to fight again

It'll drive you to drink
And turn into hatred
suicide and fighting duels
But you battle it out, can't do without it
you want to buy it and she sells

Love is a battle, the roughest toughest game in the
world
anything goes, the roughest toughest game in the
world
All out war, retire hurt to fight again

Love is the roughest toughest game (x8?)

Love is a battle, the roughest toughest game in the
world
anything goes, the roughest toughest game in the
world
All out war, retire hurt to fight again
