Taken by girls
Taken by men
Thought I knew it all, way back then
The boys liked the girls
The girls liked the men
So easy to like somebody way back then

I said, this is massive
He said, it tastes fantastic
I said, this is disgusting
So easy to like somebody way back then

Taken by girls
Taken by men
Thought I knew you all, way back then
Some boys liked the boys
The girls liked the men
My mum liked my dad,
so much more way back then

I said, this is massive
He said, it tastes fantastic
I said, this is disgusting
So easy to like somebody way back then

I said, this is massive
He said, it tastes fantastic
I said, this is disgusting
So easy to like somebody way back then
