You act as though  
You are a blind man who's crying  
Crying 'bout all the virgins that are dying  
In your habitual dreams  
You know, seems you need more sleep  
But like a parrot in a flaming tree  
I know, it's pretty hard to see  
I'm beginning to wonder if it's time for a change  
But still you try like a fat boy  
Dancing Gershwin's blues  
But you'd rather sit at home and watch the news  
And I'm beginning to wonder if it's time for a change  
I'm beginning to wonder if it's time for a change
