Eyes, closing to remind
Me of you and I
Breathing in
The autumn wind
Here, I hear you every time
Silence fill my mind
Your words heal?
It's all I feel

Life lifts you up
Love leads to trust
Nature seems to rush
Turns angels into dust

I'm on my own
But I know it won't be long until you're home
I'm on my own
With my memories I'll never be alone
Time, moments passing by
Pictures of our lives
Another year
I know you're here
Life lifts you up
Love leads to trust
Nature seems to rush
Turns angels into dust

[Chorus x2]

I'm on my own[x2]
With my memories I'll never be alone...
