2x

do you know?

when you're being with me

do you know?

how i'm feeling inside

do you know?

that i'm feeling that i owned the world oh my soul

and i keep

and i keep loving and i keep awakened

and i dream

of you and i love you more

and i gaze

in the future and i think and i forget the world and what's not forbidden

wana leeh sahran sahran remshy

sahran el leel wala beynamshy

we ye2oolooly haweet matkalemshy

we yefoot el leel wana ma banamshy

2x

do you know?

after we met

do you know?

how much i miss

do you know?

i ask the time to pass by quickly so that i can meet you

and when

you come to me darling

and your eyes

come to hug mine

oh my eye

when you make me forget myself with a whisper of your eyes

wana leeh sahran sahran remshy

sahran el leel wala beynamshy

we ye2oolooly haweet matkalemshy

we yefoot el leel wana ma banamshy
