I don't know what it is but  
it makes me feel I'm crazy  
I don't know what it is but  
it makes reality hazy  
I don't know what it is but  
I got the feeling that it might be love

I don't know what it is but  
it's a feelin' that moves me  
I don't know what it is but  
it sends a shiver running through me  
I don't know what it is but  
I got the feeling that it might be love  
It might be love

I don't know what it is but  
it makes my heart beat faster  
I don't know what it is but  
it has become my master  
I don't know what it is but  
it has a taken control  
I don't know what it is but  
it's taken my very heart and soul

I don't know what it is but  
it's this feelin' that moves me  
I don't know what it is but  
it sends these shivers running through me  
I don't know what it is but  
I got the feeling that it might be love
