ha I did it again

I made you believe we're more than just friends

It might seem like a crush

But it doesn't mean that I'm serious

cause to play all these fuckin women

is just so typically me

:Chorus:

Ha!...I did it again

I fucked with your heart, played a fuckin game

Oh baby, baby

Ha!...You think I'm in love

but i don't give a fuck

your a fuckin idiot

You see my plans simply this

your dreaming away

Wishing my feelings for you do exist

you cry, cause you know they don't

you want me to love you and you know i won't

cause to play all these fuckin women

is just so typically me

Baby, oh

:Chorus:

Ha!...I did it again

I fucked with your heart, played a fuckin game

Oh baby, baby

Ha!...You think I'm in love

but i don't give a fuck

your a fuckin idiot

(repeat the chorus x2)
