### "Easy Come Easy Go"

If you start to feel like there's no time to waste, baby try  
to let go  
There's nothin' that strong, can't break your heart, easy  
come easy go  
And the only only way to find it  
Is if you're not diggin' too deep, though it's easier said  
than done  
You've got to feel it in your blood, play the game like  
you've already won  
And you'll only only only own it when you say  
Chorus:  
Easy come easy go, this won't break my heart, don't ya  
know  
Sometimes high, sometimes low, easy come easy go  
You fell in a trap that won't let you win, you try again  
and again  
You let the heat burn your feet, baby try to understand  
That you'll only only only own it when you say  
Chorus  
(Solo)  
So if you start to feel like there's no time to waste, baby  
try to let go  
There's nothin' so strong, can't break your heart  
Sometimes high, sometimes low  
And you'll only only only own it when you say  
Chorus  
Sometimes high, sometimes low, easy come easy go  
(Easy come easy go) If you're not diggin' too deep  
Easy come, easy go (easy come easy go)
