Higher 'n' higher!
I see this lady took a bite out of you
And you can't go on in this condition
You go blind just tryin' to crawl out of bed
Like you're the sacrifice of superstition
She's so down-hearted, she's what you want, what you
need
She gets you started, drops the bomb, then she takes
you
Chorus:
Higher 'n' higher, she'll leave your dreams in the fast
lane
Taking you higher 'n' higher, you can't fight it
Primal scream, she's got the body of sin
Should be a law against such an invention
A little smile to let you see that she knows
And can sense the smell of your intentions
She's so down-hearted, she feeds the want, feeds the
need
She gets you started, drops the bomb, then she takes
you
Higher 'n' higher, she'll leave your dreams in the fast
lane
Taking you higher 'n' higher, now you'll never be the
same
(Solo)
Once bitten, it's forever a game, 'cos her heart will
resist all penitention
Now you live for just another chance, to her pleasure
that's around the nation
She's so down-hearted, she's what you want, what you
need
She gets you started, drops the bomb, then she takes
you
Higher 'n' higher, she'll leave your dreams in the fast
lane
Taking you higher 'n' higher, you need her love
Chorus
Higher 'n' higher
