I am the man in mountain  
I stand alone - I've been downed  
In a sea of loveless illusion  
So many lost - so many drowned

Got no church - got no steeple  
Got no time for you people  
I live the life of a shadow  
The only chance that I have now  
Is there  
In the light

They wore all kinds of things on their heads to disguise  
That they'd rather be unfettered than be wealthy and  
wise  
And they listened as their enemies made a similar  
sound  
And they watched a million cars go by  
They were gaining some ground  
But they didn't know what to do  
With this thing they had found  
So they had a party!?
