Thoughts are thinking
Thoughts are coming
Thoughts are screaming
Thoughts keep coming

Thoughts are coming
Thoughts are coming down

Thoughts are thinking
Thunk from knowing
Thoughts repeating

Harm is showing
Thoughts forever
Keep me going down

I thought my time was almost done
I thought I knew which way to run
I thought of how this began

I thought of where to go for lunch
I thought I'd give her what she wants
I thought the dream makes the man

Bats are crawling on my skin
I hear blood letting thoughts beginning now
The more I try to not give in
The more I think my thoughts are winning now

Thoughts are thinking
Thoughts are coming
Thoughts are screaming
Thoughts keep coming

Thoughts are coming
Thoughts are coming down

I thought, oh man, this gig is long
I thought my drink was much too strong
I thought he spoke much too fast

I thought they make me sick

I thought please, death come quick
I thought it's too good to last

Our eyes are one, I tunnel in
I hear pathetic thoughts beginning now

Thoughts are thinking
Thoughts are coming
Thoughts are screaming
Thoughts keep coming

The more I try to not give in
The more I think my thoughts are winning now

Thoughts are thinking
Thoughts are coming
Thoughts are screaming
Thoughts keep coming

Thoughts are coming
Thoughts are coming down

Thoughts are thinking
Think from knowing
Thoughts repeating

Harm is showing
Thoughts forever
Keep me going down

Thoughts are like
Black ravens in the sky
Thoughts will be forever floating by
Why?

I thought at last my love at last
I thought let's go out and get trashed
I thought let's break what we planned

I thought we punish for the crime
I thought we're running out of time
I thought the dream makes the man

Bats are crawling on my skin
I hear blood letting thoughts beginning now

Thoughts are thinking
Thoughts are coming
Thoughts are screaming
Thoughts keep coming

Thoughts are coming
Thoughts are coming down

Thoughts are thinking
Think from knowing
Thoughts repeating

Harm is showing
[Incomprehensible]

Thoughts are screaming
Thoughts are coming
Thoughts forever will keep
Coming
