Ohlarim zoye yetmadi senga, jonim sanamjon,
Yonar alam otashida dilda borim, sanamjon.

Kuydirgi bo'lar sanamlar a'losi, alamjon,
Nozi ila xush yoqadi tamannosi, alamjon.

Nima holim-a, bilmading, sanamjon,
Jafo nega qilmading, sanamjon.

Alam qilsin, alam-o, alamjon,
Mani qoshim qalam-o, alamjon.

Sen o'zing farishtayu munisi dil, sanamjon,
Sinadi sabrim kosasi nozingdan chin, sanamjon.

Men o'zim senga hanuz anisi dil, alamjon,
Sabr qilsa, chin baxtiga yetar ko'ngil, alamjon.

Nozi go'zal sanamjon!
So'zi asal sanamjon!

Nozim go'zal, alamjon!
So'zim asal, alamjon!
