Ne dasmen time  
Ti zemra ime ,  
eja e mos vono.  
Ndonse na ndan bashk nuk na lane  
trego se ende me do .

Eja ne dasem eja,  
UNE te pres tek dera ,  
dhe nese pyet per ty dikush  
do te them se je krushk.

Ref..Bini o ju tupana ,hallin o kush s'ma dine  
keep playing drums, no one knows my problem and grief  
the one that i wanted (loved) today is near to me (like close to me but not mine)  
keep playing drums, keep drumming just for me  
the one that i loved, i'm not allowed to love from (today on)
