sot harroj te gjitha hallet
kjo nat me na shku qe nuk na falet
banu gati veshu mir
ke me shku si misafir
mos mendo per kurgje tjeter
knaqma mori zemren ndrej qma jeten
nuk po dihet cka po bahet
sot po luhet sot po kendohet

hajde luj o shpirti jem
si shyhreti smbahet mend
tash e di se ne kete nat
ty te paskam pas nga fat

sot po du me t'pas ma afer
ja vjen ti me qejf ja vjen me hater
nese ka pak dashuri
ska cka bahat nam i zi
ma jep doren ta jap belin
sa sja ke na fati kuj na sherin
me ti fal buzet zguxova
por prej dore kur sleshova
Ne dasmen time
Ti zemra ime ,
eja e mos vono.
Ndonse na ndan bashk nuk na lane
trego se ende me do .

Eja ne dasem eja,
UNE te pres tek dera ,
dhe nese pyet per ty dikush
do te them se je krushk.

Ref..Bini o ju tupana ,hallin o kush s'ma dine
keep playing drums, no one knows my problem and grief

the one that i wanted (loved) today is near to me (like close to me but not mine)
keep playing drums, keep drumming just for me
the one that i loved, i'm not allowed to love from (today on)
