God give me strength to make it through
Situations that sometimes get out of hand
I?ll keep my eyes on You
I?ll keep my eyes on You

My dreams may not come true
I may fall, I may fall on my face
Still my hope is in You
All I need is the strength to make it through

God strengthen these hands that always hurt You
This mind that wanders and always gets out hand
I?ll keep my eyes on You
I?ll keep my eyes on You

My dreams may not come true
I may fall, I may fall on my face
Still my hope is in You
All I need is the strength to make it through

Like a breath in the fog my memories have
disappeared
Like a breath in the fog my memories have
disappeared
Like a breath in the fog my memories have
disappeared
Like a breath in the fog my memories have
disappeared
Like a breath in the fog my memories have
disappeared
Like a breath in the fog my memories have
disappeared

My dreams may not come true
I may fall, I may fall on my face
Still my hope is in You
All I need is the strength to make it through

My dreams may not come true
I may fall, I may fall on my face
I may fall, I may fall, I may fall, I may fall on my face
