I Did It Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs
I Did it Without the Drugs

My whole friends tell me that I'm a new man
But the tells me that I need new friends
I know it's ungrateful, but hey man
FUCK 'EM Anyway

I Did It Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs

I still hate myself, like when I got high
Not much has changed, except I ain't getting high
Don't worry 'bout me
I will, fuck up, over and over again

I Did It Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs
I Did It Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs
I Did it Without the Drugs
Goodbye to all of ambitions
Goodbye to everything that keeps me treading water
Always keeps me down
So much for all the abuses
So much for all the excuses
Keeps me wanting more
Wanting more
Wanting more

Wanting more

Don't worry 'bout me
I will, fuck up, over and over again

I Did It Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs
Now I feel the pain
Now I feel the pain
I Did it Without the Drugs
The only difference is
Now I feel the pain
Now I feel the pain
