Will I wake up some dream I made up  
No I guess it's reality  
What will change us or will we mess up  
our only chance to connect with a dream

(chorus)

Say a prayer for me  
iSay a prayer for me/i  
Say a prayer for me

Say a prayer for me  
iSay a prayer for me/i  
I'm buried by the sound  
Of a world of human wreckage  
In a world of human wreckage X2  
Where i'm lost and I'm found and I can't touch the  
ground  
I'm plowed into the sound

To see wide open with a head that's broken  
Hang a life on some tragedy  
Plow me under the ground  
That covers the message  
That is the seed

(chorus)

Say a prayer for me  
iSay a prayer for me/i  
Say a prayer for me

Say a prayer for me  
iSay a prayer for me/i  
I'm buried by the sound  
Of a world of human wreckage  
In a world of human wreckage X2  
Where i'm lost and I'm found and I can't touch the  
ground  
I'm plowed into the sound

Will I wake up some dream I made up  
No I guess it's reality
