I'm seventeen, I'm seventeen
I'm seventeen years old
This can't be happening
I'm seventeen, I'm seventeen
I'm seventeen years old
This can't be happening

At twenty one, I thought
This is fine, but is this all there is?
At twenty five, I didn't feel alive
But I said that I'd get used to it

I'm seventeen, I'm seventeen
I'm seventeen years old
This can't be happening
I'm seventeen, I'm seventeen
I'm seventeen years old
This can't be happening

La la la la la la la la
La la la la la la la la
La la la la la la la la
La la la la la la la la

Let's go, hi hi hi yi
Let's go, hi hi hi yi
Let's go, hi hi hi yi

At thirty one, I'm told
I'll feel old but I'd understand it
At thirty two I came unglued
Now maybe I'd live

I'm seventeen, I'm seventeen
I'm seventeen years old
This can't be happening
I'm seventeen, I'm seventeen
I'm seventeen years old
This can't be happening

La la la la la la la la
La la la la la la la la

La la la la la la la la
La la la la la la la la

Let's go, hi hi hi yi
Let's go, hi hi hi yi
Let's go, hi hi hi yi
