Here he comes  
Her comes Speed Racer  
He's a demon on wheels  
He's a demon and he's gonna be chasin' after  
someone.

He's gainin' on you so you better look alive.  
He's busy revvin' up a powerful Mach 5.

And when the odds are against him  
And there's dangerous work to do  
You bet your life Speed Racer  
Will see it through.

Go Speed Racer  
Go Speed Racer  
Go Speed Racer, Go!

He's off and flyin' as he guns the car around the track  
He's jammin' down the pedal like he's never comin'  
back  
Adventure's waitin' just ahead.

Go Speed Racer  
Go Speed Racer  
Go Speed Racer, Go!
